BUILDING FUND

The Leadership at Family Worship Centre feel that the Lord is calling us to be a bigger impact on our community. With this in mind, we have started a **Building Fund** to begin to gather funds so that we will have future resources for whatever the Lord leads us to. If you feel led to contribute to this cause please designate **BUILDING FUND** on your offering envelope.

Many in our church have committed to "tithing on our tithes" to keep the momentum going.

Pray FOR Healing
